Help collect missing photos of Texas soldiers killed in Vietnam

The Vietnam Veterans Memorial Foundation (VVMF) project "Faces Never Forgotten" is in need of help obtaining missing photos of fallen Vietnam veterans across Texas and the nation.

To see a list of Texan soldiers whose photos are still missing, go to <http://tinyurl.com/TXForgottenFaces>. If you can provide a photo, please contact this newspaper as soon as possible. The goal is to locate all missing pictures by Nov. 11, 2014.

BEHIND EVERY NAME
IS A FACE AND A STORY.
